Professional Summary

MERN Stack Developer with hands-on experience building full-stack web apps using React.js, Node.js, Express.js, and MongoDB. Skilled in designing RESTful APIs, implementing JWT-based auth, managing state with Redux, and deploying apps on Render and Vercel. I write clean, maintainable code and build fast, responsive, reliable applications for real-world use.

Technical Skills

Frontend: HTML, CSS, JavaScript, React.js, Next.js, Redux, PHP, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, RESTful APIs, JWT Authentication

Databases: MongoDB, Firebase, SQL

Tools & Platforms: Git, GitHub, Vercel, Render, Netlify, Cursor, VS Code, Postman

Experience

Full Stack Developer Intern

January 2026 – April 2026

Vidya Vriddhi (On-Site, Noida)

PHP, React.js, Node.js, MongoDB, MySQL

- Created responsive landing pages and business websites.
- **Built reusable UI components** to speed up development and keep designs consistent.
- Developed backend features in **PHP and Node.js** for login, forms, and data handling.
- **Connected REST APIs and MySQL databases** for smooth data flow between frontend and backend.
- **Improved website performance** to reduce load time and enhance user experience.

Projects

ProConnect – LinkedIn Clone | *React.js, Node.js, Next.js, Express.js, MongoDB*

November 2025 – January 2026

- **Built a LinkedIn-style social platform** with profiles, posts, likes, comments, and connections.
- Implemented **secure authentication and protected routes** for safe account access.
- Developed scalable APIs for user actions, content management, and connection requests.
- Designed a responsive UI with Discover People, profile editing, and real-time engagement.

WanderLust | *Node.js, Express.js, MongoDB, EJS, Bootstrap, Passport.js, Cloudinary*

March 2026 – April 2026

- **Built an Airbnb-style rental property platform** with browsing, listing creation, and management features.
- Implemented **Implemented secure user authentication and session management** for reliable account access.
- Developed full CRUD operations for property listings with image upload and management.
- Designed a responsive UI with property search, listing controls, and cloud-based media storage
- **Deployed the application on cloud platforms** and integrated databases to ensure high performance, reliability, and scalability.

Certifications

- **Full Stack Web Development Certificate – Coding Ninjas (2025):** Completed multiple hands-on full-stack web development projects featuring user authentication, RESTful APIs, database integration, responsive UI, and end-to-end deployment.
- **Artificial Intelligence Fundamentals – Coding Ninjas (2025):** Gained a solid understanding of core AI concepts and hands-on experience using AI tools, APIs, and integrations within modern web application projects.

Education

Bachelor of Technology (B.Tech)

Teerthanker Mahaveer University

Full-Time

Moradabad, India
